

Darnall Grange Dementia EMI Nursing Home

A specialist dementia nursing home providing 60 en-suite rooms all situated in mature grounds, with immediate access to the shops and facilities of Darnall.

Providers of specialist care for the elderly in South Yorkshire

Darnall Grange is a 60 bed Nursing Dementia Home, providing specialist nursing care in an appropriate setting close to all local amenities. It is set in the heart of Darnall, Sheffield and it offers the latest in care techniques. It has unique charm being split into 15 bed units offering a smaller homely feel. The home was one of the first nursing homes in sheffield to offer dementia care. The bedrooms are purpose built to provide complete privacy and preserve dignity with en-suite toilets.

As a community home our philosophy is to provide a welcome and informative approach to relatives and friends so that they are able to play a role in the care that our staff deliver.

Quality nursing and residential care support is given on an individual basis, the high standards that we set ourselves are guaranteed.

All our staff are friendly, motivated and attuned to the needs of all residents. High team spirits and professional attitudes are the key to our success. To maintain these standards, our staff are constantly enrolled on service training programmes.

Wholesome and varied home cooked meals are served and any special dietary needs catered for.
