

**The Preferred Choice for Nursing Care
in South Yorkshire**

Seven Hills

Dementia EMI Nursing Home

Medium capacity Dementia nursing home, Seven Hills is a purpose built 24 Bed EMI Nursing Home.

Providers of specialist care for the elderly in South Yorkshire

Seven Hills provides specialist Dementia care in a purpose built 24 bed EMI nursing home.

As is common to all the care homes in our group, a welcome and informative approach to relatives and friends are openly practiced so that they are able to play a role in the care that our staff deliver.

Quality nursing and residential care support is given on an individual basis, the high standards that we set ourselves are guaranteed.

All our staff are friendly, motivated and attuned to the needs of all residents. High team spirits and professional attitudes are the key to our success. To maintain these standards, our staff are constantly enrolled on service training programmes.

Wholesome and varied home cooked meals are served and any special dietary needs catered for.
